

Moment Of Forever
from his album "Broken Freedom Song: Live

Intro: G

G
Was it wonderful for you
Was it holy as it was for me
Did you feel the hand of destiny
That was guiding us together
You were young enough to dream
I was old enough to learn something new
I'm so glad I got to dance with you
In this moment of forever

BRIDGE:

C
Sometimes when you're crying
You're happy
C
Sometimes you're just crying
I know, I know
G
Come whatever happens now
Ain't it nice to know that dreams come true
I'm so glad that I was close to you
For a moment of forever
