

## Dreamland-crd

(C) (Em) (C7) (F) (C) (G) (F) (G) (C)

You come to me in (Em) times of need  
 When you (C7) can't find any(F)one  
 You (C) seem to be much (G) better off now  
 There's a (F) rainbow number (Gsus4) one (G)  
 We could (C) see life through the (Em) gutter then  
 Till it (C7) caused my heart to (F) break  
 There was (C) too much toil in (G) dreamland  
 And (F) too much (G) love to (C) take

Sometimes I remember when  
 We were all dressed up in style  
 I don't recall the gist of it all  
 But you drove the young men wild  
 You could wrap me around your finger  
 Til it caused my heart to break  
 There was too much toil in dreamland  
 And too much love to take

So if you need me (Em) near you  
 You can (C7) do it if you (F) choose  
 There was (C) too much toil in (G) dreamland  
 And (F) too much (G) love to (C) lose

You make me do what you want me to do  
 Then you run the rules on me  
 You seem to be the wiser now  
 Could it be you've been deceived  
 Anytime you felt like trying  
 You would cause my heart to break  
 There was too much toil in dreamland  
 And too much love to take

So if you need me near you now  
 You can do it if you choose  
 There was too much toil in dreamland  
 And too much love to lose
