Like the dust on the wind I've been taken again by my foolish pride
 Drifting along, singing a song, that's how I get by
 I been caught in the act, as a matter of fact I've even been chased
 Floating on by with a laugh and a sigh for the whole human race
 I got no more time to waste, if you love me

Make my world a better place to be
 Remove these chains and set me free
 Give my life a different point of view
 Forgive us Lord if we run to you

(BRIDGE INSTRUMENTAL)

If you love me
 Make my world a better place to be
 Remove these chains and set me free
 Give my life one reason to begin
 Forgive me Lord for I have sinned
 Give my life one reason to begin
 Forgive me Lord for I have sinned
