

## Keepin' On Yearning-crd

(Am) (Em) (Am) (Em) (Am)

Keepin' on smoking, (Am/G) Lord I keep on joking  
 (F) Keepin' on moving a(Am)round  
 Leaving everything be(Am/G)hind until at last  
 I (F) find what no one's ever (Am) found

Feeling kind of lonely (Am/G) on the telephone  
 To(F)day I must keep moving (Am) on  
 Leaving everything I (Am/G) know I really need  
 And (F) so I guess I'll move a(Am)long

(C) It doesn't matter if the (F) sun don't shine  
 (C) It doesn't matter if the (G) rain don't fall  
 (C) I could think about you (F) all the time  
 (C) Do you ever think of (G) me at all (Am) (Em) (Am) (Em) (Am)

Keepin' on yearnin', keepin' on learnin'  
 Lord I keep turning it on  
 Leaving everything I know I really love  
 And so I guess I'll move along

It doesn't matter if the sun don't shine  
 It doesn't matter if the rain don't fall  
 I know I could make you mine  
 You know I wouldn't mind at all

Keepin' on smokin', gotta keep on joking  
 Gotta keep moving around  
 Leaving everything behind until at last  
 I find what no one's ever found

It doesn't matter if the sun don't shine  
 It doesn't matter if the rain don't fall  
 I could think about you all the time  
 Do you ever think of me at all

Keepin' on yearnin', gotta keep on learnin'  
 Gotta keep turning it on  
 Leaving everything I know I really love  
 And so I guess I'll move along

It doesn't matter if the sun don't shine  
 It doesn't matter if the rain don't fall  
 I know I could make you mine  
 You know I wouldn't mind at all
