

Message To The Wind-crd**A Message To The Wind (Amaj7)**

Hold my (Bm7) hand, (E7) so I can hold you in my (Amaj7) heart
Hold my (Bm7) hand, so I can guide you through the (E7sus4) forest of the
night (E7)

By the (Amaj7) sea upon the raging (Am7) tide

A message through the (E/A) wind, I must be(D/A)gin to write of love and
(E7sus4) rain (E7)

Touch my heart, for it is beating just for you

Hear my song, as I sing it to the lost and lonely ones

If there were time to spend another day

A message to the wind, I would begin if he could blow my thoughts to you

Hold my hand, now it s time for me to go

Take my love and let it rest for we must meet again somehow

When you're a(Amaj7)lone (Dm/A) and willows start to (Amaj7) bend

And rain begins to (Am7) fall at times you will pretend

And not pretend at (E/A) all, I'll be with you a(D/A)gain

A message to the (Amaj7) wind (E7) (Amaj7) (E7) (Amaj7)
