

## Much To My Surprise-crd

I (G) saw two dreamers dreaming, they (C/G) almost caused a spark  
I (G) saw two (D/F#) lovers in (C) para(G)dise  
(Am) Right back (C/G) at the (D/F#) start  
I (G) saw two (D/F#) minds in the (C) world set (G) free  
But it (Am) almost (C/G) broke my (F6) heart  
(G) Isn't it (Am) strange to (G/B) be right (C) now  
(G) Having you (Am) close to (D/F#) me  
(Am) Much to (C/G) my sur(F6)prise (G) (Am) (G/B) (C) (Cmaj7)  
I saw two schemers scheming, they almost caused a lark  
They were two brave souls on a wild blue spree, right back at the park  
They were like two ships and they sailed right by each other in the dark  
Wouldn't you like to be right now, out where the actors play  
So much for your disguise

I saw two souls out searching, they said they're last goodbyes  
And I saw two hearts of passion then, much to my surprise  
I saw two hearts on passion bent, the kind which mystifies  
It is so strange to be right now, having you on my knee  
Much to my surprise

I gotta make you see somehow

I saw two minds that wandered, they almost caused a wreck  
They were all checked out for a wild blue sea  
Til someone cried, "Hit the deck"  
I saw two minds in the world set wise, but I almost broke my specs  
Wouldn't you like to be right now, out where the actors play  
So much for your disguise, much to my surprise
