

Ordinary Man-crd

(C) (G) (Am) (G) (C)

(G) Try to under(Am)stand
 (D) I'm not your ordinary (F) man, still I (C/E) can't de(F)ny
 You go (D/F#) with me everywhere
 When I'm (F) dreaming you still (D/F#) share my lonely (C/G) nights (G)
 (C/G) (G) (C)
 (G) Try to see my (Am) side
 (D) It's not your ordinary (F) pride that keeps (C/E) driving me (F) on
 It's that (D/F#) lonesome, restless feeling that you (F) feel under the gun
 And it (C/E) leads me to the highway but it (D) keeps my body warm (G)
 (C/G) (G)

(Am) And as I (D) wander to the (G) cities and the (Am) towns
 I get so lonesome knowing (G) you could be a(C)round
 And (Am) when the show is (D) over, there's a (G) holiday mo(Am)tel
 Another empty (F) bottle and an(Esus)other tale to tell (E7)

Try to comprehend
 I'm not your ordinary friend at the end of my life
 I would pray that I could be
 Returning to the shelter of your love
 Try to see my side
 It's not your ordinary pride that keeps driving me on
 It's that lonesome, restless feeling that you feel under the gun
 And it leads me to the highway but it keeps my body warm

And as I wander to the cities and the towns
 I get so lonesome knowing you could be around
 And when the show is over, there's a holiday motel
 Another empty bottle and another tale to tell

Try to understand
 I'm not your ordinary man, still I can't deny
 You go with me everywhere
 Like a shadow in the gloom
 I remember all the good times
 There's a ghost in every room
