

Take Care Of Yourself-crd
by Hoffman-Klein

(D) Look both ways before you cross the street, (G) don't run up and down
the (D) stairs
(G) Don't talk to strangers that (D) you may meet, (A) don't stand on any
rocking (D) chairs
Take care of your(G)self, while I'm a(D)way, (A) darling don't worry I'll
(D) be okay
Just take care of your(G)self and please be (D) true, when I come (A) home,
I'll take care of (D) you

Don't run around, go to sleep too late, be as good as you can be
And if some fellow asks you for a date, just tell him you belong to me
Take care of yourself, while I'm away, darling don't worry I'll be okay
Just take care of yourself and please be true, when I come home, I'll take
care of you
