

The Way I Feel-crd

(Dm) The way I (Am7) feel is like a (Dm) robin
Whose babes have (Am7) flown to come no (Dm) more
Like a tall oak (Am7) tree alone and (Dm) crying
When the birds have (Am7) flown and the nest is (Dm) bare
(Electric version)
(D5) Now a woman Lord is like a young bird
And the tall oak (C5) tree (G) is a young man's (D5) heart
Among its boughs you'll find her nesting
When the nights are (C5) cool (G) she is warm and (D5) dry

Your coat of green it will protect her
Her wings will grow your love will too
But all too soon your mighty branches
Will cease to hold her she'll fly from you

Now the way I feel is like a robin
Whose babes have flown to come no more
Like a tall oak tree alone and crying
When the birds have flown and the nest is bare
When the birds have flown and the nest is bare
