

Unsettled Ways-crd

(C) Forgive me my (B7) unsettled (C) ways
Don't (G) linger in time or (F) finger what's (C) mine
Don't make me (G) do what you wouldn't do your(C)self
Forgive me the bad things I do
Don't ask me to change or exchange what I am
For something else, you know that wouldn't do

If (F) time gets too heavy and you can no longer bear it
And you (C) need someone to share it
Tell me girl, I'll try to make a(G)mends

Forgive me the ways of my heart
Don't try to pretend or lend me your love
Don't ask of me what you wouldn't ask yourself

If time gets too heavy and you can no longer bear it
And you need someone to share it
Tell me girl, I'll try to make amends

Forgive me my unsettled ways
Don't linger in time or finger what's mine
Don't make me do what you wouldn't do yourself
Don't make me do what you wouldn't do yourself
