

You'll Still Be Needing Me-crd

(G) (C) (D) (C) (G) (C) (D) (C) (G)

(G) If I had my (C) way, (D) I would say it's (G) over darling
If I could be (C) brave, (D) I would say I'm (G) leaving you
But I must stay (D) on till hope is (G) gone
(C) 'Cause girl I (G) know, (C) anywhere you (G) go you'll still be (D)
needing me

If you feel you can't make it on your own my darling
I'll be on your side when you can't find anyone
But for now let's try, just to get by
Let the tide roll out, let the tide roll in, it's time to sink or swim

(G) La la la la (C) la, (D) la la la la (C) la la la (G) la
La la la la (C) la, (D) la la la la (C) la la la (G) la

If I could be strong, I'd be gone tomorrow morning
Still I play the part, making like a broken toy
But I must stay on til all hope is gone
'Cause girl I know, anywhere I go you'll still be needing me
Let the tide roll out, let the tide roll in, it's time to sink or swim

(G) La la la la (C) la, (D) la la la la (C) la la la (G) la
La la la la (C) la, (D) la la la la (C) la (Bm) la (Am) la (G) la
