

From Seven To Ten  
 recorded by Conway Twitty and Loretta Lynn  
 written by Troy Seals and Max D. Barnes

C  
 Wait here for me I'll get the key  
 F G7 C  
 Darling I won't be long

The place isn't much as soon as we touch  
 D7 G7  
 Any where's home away from home

C  
 It's a very nice room do you like my perfume  
 F G7 C  
 I wanted everything to be just right  
 F C F  
 There's so little time for a love of this kind  
 C G7 C  
 It can't even last through the night

G7 C  
 We have to steal all the love that we feel  
 F C  
 And we're feeling like stealing again  
 G7 C  
 We'll never be free so it's gotta be  
 G7 C  
 Loving from seven till ten  
 G7 C  
 Loving from seven till ten

Do you see a trace of love on my face  
 F G7 C  
 I know she'll have on the light  
 F C F  
 Look in my eyes can he see how I cried  
 C G7 C  
 While you were loving me tonight
