A World Of Our Own-The Seekers

G C 4x

G         Bm
Close the doors, light the lights,
C         G
we're stayin' home tonight;
Em       Bm       C       D
far away from the bustle and the bright city lights.
G         Bm
Let them all fade away,
C         G
just leave us alone;
Bm        C            G   G C G C
and we'll live in a world of our own.

We'll build a world of our own,
G          Em
that no one else can share.
G          Em       D
All our sorrows we'll leave, far behind us there.
G         Bm
And I know you will find,
C         G
there'll be peace of mind;
Bm        C            G   G C G C
when we live in a world of our own.

Oh my love, oh my love,
C         G
I cried for you so much;
Em       Bm       C       D
lonely nights without sleeping, while I longed for your touch.
G         Bm
Now your lips can erase,
C         G
the heartache I've known;
Bm        C            G   G C G C
come with me to a world of our own.

We'll build a world of our own,
G          Em
that no one else can share.
G          Em       D
All our sorrows we'll leave, far behind us there.
G         Bm
And I know you will find,
C         G
there'll be peace of mind;
Bm        C            G   G C G C
when we live in a world of our own.

And I know you will find,
C         G
there'll be peace of mind;
Bm        C            G   G C
when we live in a world of our own.

(musical interlude) G C G C

We'll build a world of our own,
G          Em
that no one else can share.
G          Em       D
All our sorrows we'll leave, far behind us there.
G         Bm
And I know you will find,
C         G
there'll be peace of mind;
Bm        C            G   G C
when we live in a world of our own.
when we live in a world of our own.

And I know you will find,

there'll be peace of mind;

when we live in a world of our own.
