

House Of Four Doors-The Moody Blues lyrics & chords**House Of Four Doors-The Moody Blues**

Gm

Gm D7
Mystery spread it's cloak,

Gm
across the sky;

D7
we'd lost our way

Gm D7
Shadows fell from trees,

Gm G
they knew why

F Bb
Then through the leaves a light broke through

F Gm D E
A path lost for years lead us through

A
House of four doors,
D E
I could live there forever

A
House of four doors,
D E
would it be there forever?

Bm G D
Loneliness, the face of pilgrims eyes was known,
Em D Em
as the door opened wide

Flute solo

Bm G D
Beauty they had found before my eyes to see,
Em D Em
to the next door we came

Harpsichord solo

Bm G D
Love of music showed in everything we heard,
Em D Em
through the third door where are we?

orchestra

A D E 2x

Bm G D
Enter in all ye who seek to find within
Em D Em
As the plaque said on the last door

Gm

Gm D7
Walking through that door,

Gm
outside we came;

D7
nowhere at all

Gm D7
perhaps the answers here,

Gm G
not there anymore

F Bb
Then in a house the light broke through

F Gm D E
A path lost for years is there in view

A
House of four doors,

D E
 you'll be lost now forever
 A
 House of four doors,
 D E
 rest of life is forever

 A
 House of four doors,
 D E
 you'll be lost now forever
 A
 House of four doors,
 D E
 rest of life is forever . .
