F
You want me to come over I got an excuse

F
Might be holding your hand but im holding it loose

F
Go to talk then we choke its like our necks in a noose

F
Avoid the obvious we should be facing the truth

Dm
Start to think it could be fizzling out

C
Kinda shocked because I never really had any doubts

Bb
Look into your eyes imagine life with out ya

F Gm Bb
And the love kick starts again starts again

The Love kick starts again

F Gm
Its the same old you the same old me

You get bored and I get cold feet
Bb

Get high get wandering eyes
Forget ive never ever had it so sweet.

F Gm
I realise what I got when Im out of town Cos deep down youre my girl in a golden crown

Bb
My princess and I dont wanna let you down
No I Dont wanna let you down down down down.
