F Dm Am G
F Dm F G
Am G 4x

Am Em
Love is like oxygen
Am Em Dm
You get too much you get too high
Em Fmaj7
Not enough and you're gonna die
Dm E
Love gets you high 2x

F G
Time on my side
F Dm
I got it all
F G
I've heard that pride
C D
Always comes before a fall

Dm Em
There's a rumour goin' round the town
F C
That you don't want me around
Dm Em
I can't shake off my city blues
F Dm E
Every way I turn I lose

Love gets you high 2x

F G
Time is no healer
F Dm
If you're not there
F G
Lonely fever
C D
Sad words in the air

Dm Em
Some things are better left unsaid
F C
I'm gonna spend my days in bed
Dm Em
I'll walk the streets at night
F Dm
To be hidden by the city lights
E
City lights
