Mine-Taylor Swift

C / G / D / / / x4

CGD

You were in college working part time waiting tables

CGD

left a small town never looked back

CGD

I was a flight risk with a fear of falling

CGD~~~

wondering why we bother with love if it never lasts

CGD

I say can you believe it?

CGD

As we're lying on the couch

CGD

The moment i could see it

CGD~~~

yes yes i can see it now

Chorus:

CG

Do you remember we were sitting there by the water

DEmD

you put your arm around me for the first time

CG

you made a rebel of a careless man's careful daughter

DEmD C~~~

you are the best thing that's ever been mine

CGD

Flash forward and we're taking on the world together

CGD

And there's a drawer of my things at your place

CGD

You learned my secrets and you figure out why i'm guarded?

CGD~~~

You say we'll never make my parents mistakes

CGD

We got bills to pay

CGD

We got nothing figured out

CGD

When it was hard to yes yes

CGD~~~

This is what i thought about

Chorus:

CG

Do you remember we were sitting there by the water

DEmD

you put your arm around me for the first time

you made a rebel of a careless man's careful daughter
