

One Love- Trisha Yearwood - lyrics
One Love- Trisha Yearwood

So many times, love went south
Down into the valley of the shadow of doubt
My faith was fadin', my hope was gone
I wandered in the wilderness, all alone
You came to me like a revelation
In your arms, I found salvation, oh

(Chorus:)

One love took me to the mountaintop
Showed me a world I'd never seen
One love took me down to the riverside
Opened my heart, and washed me clean
Nothin' less than a miracle
Sent from Heaven above
One love

I'm amazed by the wonder of you
The clouds all open and the light comes through
All my life, I had never guessed
That anyone could ever be so blessed
I feel brand-new, I've been revived
All I want to do is testify, oh, oh

(Repeat chorus)

Nothin' less than a miracle
Sent from Heaven above
One love
One love

(Repeat chorus)

One love
Showed me a world I'd never seen
One love
Opened my heart and made me feel brand-new
One love
Took me to the mountaintop
One love
Showed me a world I'd never seen

One love
Opened my heart and made me feel brand-new
One love
Took me to the mountaintop
One love
One love
