Paradise By The Dashboard Light—Meat Loaf lyrics & chords

Paradise By The Dashboard Light—Meat Loaf

D
Well, I remember every little thing
G
as if it happened only yesterday
C
Parking by the lake,
G                  D
and there was not another car in sight
And I never had a girl,
G
looking any better than you did
F#
And all the kids at school,
G                 A       D
they were wishing they were me that night

Bb         F     C         D
And now our bodies are oh so close and tight
Bb      F              C       D
It never felt so good, it never felt so right
G                D            A         D
And we're glowing like the metal on the edge of a knife
G                D            A         D
And we're glowing like the metal on the edge of a knife
G           D
C'mon! Hold on tight!
G           F    A
C'mon! Hold on tight!

G        A             D    A    G
Though it's cold and lonely in the deep dark night
D       Bm          G   Em    D
I can see paradise by the dashboard light

Girl:
G        A      D
Ain't no doubt about it,
A      G
we were doubly blessed
Em          G
Cause we were barely seventeen,
Em      D
and we were barely dressed

Meatloaf & Girl:
G        A      D
Ain't no doubt about it;
A      G
baby got to go and shout it
G        A      D
Ain't no doubt about it,
A      G
we were doubly blessed

Meat Loaf:       Em         G
Cause we were barely seventeen,
Em      D
and we were barely dressed

Baby doncha hear my heart,
G
you got it drowning out the radio
C
I've been waiting so long,
G                  D
for you to come along and have some fun
And I gotta let ya know,
G
no you’re never gonna regret it

F#                    G
So open up your eyes, I got a big surprise,
E
it’ll feel all right,
A                     D
well, I wanna make your motor run

Bb         F     C         D
And now our bodies are oh so close and tight
Bb      F              C       D
It never felt so good, it never felt so right
D       G         A              D
And we’re glowing like the metal on the edge of a knife
G                D            A         D
And we’re glowing like the metal on the edge of a knife
G           D
C’mom! Hold on tight!
G           F    A
C’mom! Hold on tight!

Meat Loaf & Girl:

G        A             D    A    G
Though it’s cold and lonely in the deep dark night
D       F#m                   G
I can see paradise by the dashboard light
Em       D             Bm        A             F#m       F#
Though it’s cold and lonely in the deep dark night (in the deep dark night)
G   D           A         D
Paradise by the dashboard light
G          A           D
You got to do what you can,
G             A      D
and let Mother Nature do the rest
G        A      D
Ain’t no doubt about it,
A       G
we were doubly blessed
Em          G
Cause we were barely seventeen,
Em
and we were barely
We’re gonna go all the way tonight
We’re gonna go allt he way
An tonight’s the night...

Ok, here we go, we got a real pressure cooker
going here, two down, nobody on, no score,
bottom of the ninth, there's the wind-up and
there it is, a line shot up the middle, look
at him go. This boy can really fly!
He’s rounding first and really turning it on
now, he’s not letting up at all, he’s gonna
try for second; the ball is bobbed out in center,
and here comes the throw, and what a throw!
He’s gonna slide in head first, here he comes, he's out!
No, wait, safe--safe at second base, this kid really
makes things happen out there.
Batter steps up to the plate, here's the pitch--
he’s going, and what a jump he’s got, he’s trying
for third, here's the throw, it's in the dirt--
safe at third! Holy cow, stolen base!
He’s taking a pretty big lead out there, almost
daring him to try and pick him off. The pitcher
glance over, winds up, and it’s busted, bunted
down the third base line, the suicide squeeze in on!
Here he comes, squeeze play, it’s gonna be close,
here’s the throw, there’s the play at the plate,
holy cow, I think he’s gonna make it!
