(BTO)**

C Bb F 5x

C C7  
 You get up every morning,  
 Bb  
 from your alarm clock's warning,  
 F C  
 fake the 8:15 into the city  
 C7  
 There's a whistle up above,  
 Bb F  
 and people pushing, people shoving,  
 C F C  
 and the girls who try to look pretty

C7  
 And if your train's on time,  
 Bb F  
 you can get to work by nine,  
 Bb C  
 and start your slaving job to get your pay  
 C7  
 If you ever get annoyed,  
 Bb F  
 look at me I'm self-employed,  
 C F C  
 I love to work at nothing all day

And I'll be...

C Bb  
 Taking care of business, every day  
 C Bb  
 Taking care of business, every way  
 C Bb  
 I've been taking care of business, it's all mine,  
 C Bb  
 taking care of business, and working overtime

Work out!

C Bb F

C C7  
 If it were easy as fishing,  
 Bb F  
 you could be a musician,  
 Bb C  
 if you could make sounds loud or mellow  
 C7  
 Get a second-hand guitar,  
 Bb F  
 chances are you'll go far,  
 C F C  
 if you get in with the right bunch of fellows

C7  
 People see you having fun,  
 Bb F  
 just a-lying in the sun,  
 Bb C  
 tell them that you like it this way  
 C7  
 It's the work that we avoid,  
 Bb F  
 and we're all self-employed,  
 C F C  
 we love to work at nothing all day

And we be...

C Bb

Taking care of business, every day  
 C Bb  
 Taking care of business, every way  
 C Bb  
 We've been taking care of business, it's all mine,  
 C Bb  
 taking care of business, and working overtime  
 C Bb F

(Spoken) Take good care of my business

C Bb 4x
