

Where Your Road Leads-Trisha Yearwood & Garth Brooks - lyrics
Where Your Road Leads-Trisha Yearwood & Garth Brooks

I believe in miracles
I believe in signs
And I believe that mountains move
One prayer at a time
If I could be an angel
I'd make your ev'ry wish come true
But I am only human
Just a woman lovin' you

(Chorus 1:)

Where your road leads
I will follow
When your heart bleeds
I'll be there for you
When your night grows dark
And you can't find your tomorrow
Then you can follow me

Someday, we'll look back and see
Our footprints in the sand
Sometimes, you would carry me
And sometimes you'd be in my hands
If we can love forever
That won't be long enough for me
I wanna hold you tender
Be your shelter, all you need

(Repeat chorus 1)

(Bridge:)

Oh...we can be each other's guiding light
Through this long and winding life

(Chorus 2:)

Where your road leads
I will follow
When your heart bleeds
I'll be there for you
When your night grows dark
And you can't find your tomorrow
When you've lost sight of your dreams
Then you can follow me
