

After the Storm  
written by Dale Noe

G D7  
We both have fought the storms of life together  
G  
Many times it seemed our world was gonna end  
D7  
We've touched the thorns of life now we know better  
G  
And we're more in love now than we've ever been

D7  
After The Storm comes the sunshine  
G  
The clouds are gone and the world is tame  
G7 C  
Into each life there will be showers  
D7 G  
But don't the world look brighter after the rain

D7  
Well the sweetest love is when we're back together  
G  
And it's just like a second honeymoon  
D7  
And we've touched the thorns of life now we know better  
G  
And the rain just helps to make the roses bloom

D7  
After The Storm comes the sunshine  
G  
The clouds are gone and the world is tame  
G7 C  
Into each life there will be showers  
D7 G  
But don't the world look brighter after the rain  
D7 G  
But don't the world look brighter after the rain
