

At The Crossroads Of Life
 written and recorded by Marty Robbins

G C
 Here I am all alone at the crossroads
 D7 G
 And I watch as you disappear from sight
 C
 Leaving me so alone and unwanted
 D7 G
 All alone at the crossroads of life

C G
 The highways we traveled together
 A7 D7
 Have vanished like a whisper in the night
 G C
 Shall I turn right or left or go straight forward
 D7 G
 You can't turn back at the crossroads of life

C
 Maybe someday you'll be at the crossroads
 D7 G
 And you'll curse every minute of the night
 C
 Cause there's no hell on earth like you'll be living
 D7 G
 When you're alone at the crossroads of life

Repeat #2

D7 G
 You can't turn back at the crossroads of life
