

If Her Blue Eyes Don't Get You  
 Written by Curly Putman, Steve Pippin, Richard Hill  
 [3/4 time]

G7 F  
 If her blue eyes don't get ya ooh I'll bet ya  
 G7 C  
 The sunshine of her smile sure will

With a twinkle of her eye  
 G7  
 She'll make you proud that you're living  
 And with her sunny smile you'll think  
 C  
 For a while you touched Heaven

There's no way to explain the feelings  
 C7 F  
 That you're gonna feel  
 G7 F  
 If her blue eyes don't get ya ooh I'll bet ya  
 G7 C  
 The sunshine of her smile sure will

She's not quite a devil but still  
 G7  
 She's no angel I'll say  
 Sometimes she's both but I think  
 C  
 That's just to get her way

When she looks in your eyes and she smiles  
 C7 F  
 Lord you'll know you've been thrilled  
 G7 F  
 If her blue eyes don't get ya ooh I'll bet ya  
 G7 C  
 The sunshine of her smile sure will

G7  
 She will tease you on  
 F  
 She can make you feel so strong  
 G7  
 And with her touch she'll  
 F G7  
 Make your heart stand still yes she will

And if her blue eyes don't get ya ooh I'll bet ya  
 F G7  
 C  
 The sunshine of her smile sure will

G7 F  
 If her blue eyes don't get ya ooh I'll bet ya  
 G7 C  
 The sunshine of her smile sure will
