G C  
 Love me oh love me  
 G D7  
 Love me like nobody else can do  
 G C  
 Need m-eeee  
 G D7 G  
 And just let me go on needing you

C  
 Well if you want to try to make me over  
 G D7  
 Into something else that fits your plan  
 G C  
 I can take it if you want me to be  
 G D7 G  
 What it's gonna take to be your man

C  
 Well if you'd ever say that you were leaving  
 G D7  
 Lord I don't know what on earth I'd do  
 G  
 CI could never face a new tomorrow  
 G D7 G  
 If I knew I'd wake up without you
