

Lucky Lucky Someone Else

Written and recorded by Marty Robbins

G C
 Lucky lucky someone else and poor unlucky me
 D7 G
 Someone else gets all your love and I get sympathy
 C
 You belong to someone else I don't need eyes to see
 D7 G
 Lucky lucky someone else and poor unlucky me

C
 I have nothing but your picture by my bed
 D7 G
 Just before I go to sleep I place it neath my head
 C
 All the sunshine in this world can't light my misery
 D7 G
 Lucky lucky someone else and poor unlucky me

C
 If you lose the one you love then you'd be just like me
 D7 G
 You'll know how it feels to be somebody's used to be
 C
 All the sunshine in this world can't light my misery
 D7 G
 Lucky lucky someone else and poor unlucky me
