

Are The Good Times Really Over For Good

C F
 I wish a buck was still silver and it was back when the country was strong
 G7 C
 Back before Elvis and before the Vietnam war came along
 F
 Before the Beatles and yesterday when a man could still work and still would
 G7
 Is the best of the free life behind us now
 C
 And are the good times really over for good

F
 Are we rolling downhill like a snowball headed for hell
 G7 C
 With no kind of chance for the flag or the liberty bell
 F
 I wish a Ford or a Chevy would still last ten years like they should
 G7
 Is the best of the free life behind us now
 C
 And are the good times really over for good

F
 I wish Coke was still cola and a joint was a bad place to be
 G7 C
 It was back before Nixon lied to us all on TV
 F
 Before Microwave ovens when a girl could still cook and still would
 G7
 Is the best of the free life behind us now
 C
 And are the good times really over for good

F
 Stop rolling downhill like a snowball headed for hell
 G7 C
 Standup for the flag and let's all ring the liberty bell
 F
 Let's make a Ford and a Chevy that'll still last ten years like they should
 G7
 The best of the free life is still yet to come
 C
 And the good times ain't really over for good
