

Can't Break the Habit

Album: Back to the Barrooms

VERSE 1:

I can kick any habit that is if I want to
Or I can lay off whatever Im on
But of all the things that Ive been a slave to
Youre the one thing I cant leave alone

CHORUS:

I cant break the habit the love is too strong
I cant the cure now Ive been hooked too long
I crave your lovin wouldnt quit if I could
I cant break the habit the habits too good

VERSE 2:

I can lay off the bottle be straight if I want to
Or I can stay high till the curtain comes down
I used to get around love and move if I had to
But youre the one thing I just cant get around
