

## Down At The End Of The Road

INTRO: C F C F C G C

I was lookin' for a place to hang my hat  
 And a place to lay me down my heavy load  
 I found it in the woods, in a cabin on the hill  
 Down at the end of the road

We were lookin' for a place to raise a child  
 'Cause she'd soon be given birth to one that showed  
 And we found it in the woods in the cabin on the hill  
 Down at the end of the road

## CHORUS:

Down at the end of the road  
 Down at the end of an old country road  
 We found what we needed for the family we would raise  
 Down at the end of the road

Our girl was born December Twenty-third  
 Just one day short of Christmas Eve  
 And thru the years we tried to move many different times  
 But we'd landed on a place we couldn't leave

So we prayed to God that we might have a son  
 And he was born December '92  
 And we keep lookin' for a place to move away, move away  
 But leavin' was the thing we couldn't do

Twenty years flew by like twenty days  
 And the blessings grew from the initial seed we'd sown  
 And our kids will soon be leavin' now and they'll leave us behind  
 Down at the end of the road
