

Every Fool Has A Rainbow  
Written and recorded by Merle Haggard

C F  
Every fool has rainbow  
G7 C  
But he never seems to find  
F C  
The reward that should be waiting  
D7 G7  
At the end of the line

C F  
He'll give up a bed of roses  
G7 C  
For a hammock filled with thorns  
F C  
And go chasing after rainbows  
F G7 C  
Every time a dream is born

F  
And every fool has a rainbow  
G7 C  
That only he can see  
F C  
Every fool has a rainbow  
F G7 C  
And the rule applies to me
