

GOIN' AWAY PARTY

GOIN' AWAY PARTY

(Cindy Walker)

'69 Acuff-Rose Music, BMI

I'm throwin' a goin' away party a party for a friend of mine
So put me somewhere off in a corner with a glass and bottle of your party
wine

Don't worry it won't be a loud party I feel too low to get too high

It's just a sad goin' away party for a dream I'm telling goodbye

I'm throwin' a goin' away party a party for a friend of mine

Nobody's coming but a heartache and some tears will drop in now most
anytime

Don't worry it won't be a loud party dreams don't make noise when they die

And Joe since it's a goin' away party go away and let me cry

And Joe since it's a goin' away party go away and let me cry
