

Home Is Where A Kid Grows Up
 Written and recorded by Merle Haggard

G C G
 It may be down the south in Alabama
 D7 G
 Or maybe just a little old one horse town
 C G
 It could be on the back streets of Chicago
 D7 G
 But if it's home it's still the greatest place around

Home's where a kid grows up
 C G
 And spends his younger days

Home is where I long to be
 C D7
 No matter how far away

G C G
 There may be an old sweetheart still there waiting
 D7 G
 Can't tell I might even find a few old friends
 C G
 I know my mom and dad would like to see me
 D7 G
 And know I want so much to go back home again
