C
If you go down to the bottom better watch the way you act,
If you fool around them honkies you will never make it back.
F C
When you get in troublly the best you can do is lose,
G C
Or them honky tonky moma's they'll give you the honky blues.

C
I went down to the bottom just a week ago today,
Met a honky tonky baby and I couldn't get away.
F C
Lost all my money and brand new padded shoes,
G C
For them honky tonky moma's they had them honky tonk blues.

C
I drank a half of pint a liquor and a half a pint of gin,
Saw my honky tonky mama foolin around some other men.
F C
Really felt mistreated my baby I was about to lose,
G C
Got jealous of my baby I had them old honky tonky blues. (Sure Did)

(Repeat last line 2x)

I kinda do my own things on songs and on this song if you want to
spice it up a little play the bass strings back and forth. Also
I put in little fills like to go from one chord to the next. You
can look in lessons for axehappy's fills and use them for help.
