

I Am What I Am

INTRO: Am C D G C G

I'm no longer a fugitive

And I'm not on the lam

And I'm just a rambler

I am what I am

I do what I do

'Cause I do give a damn

And I'm not a tramp, I'm not a drifter

I am what I am

BRIDGE:

I won't be a slave and I won't be a prisoner

I'm just a nephew to today's Uncle Sam

I believe Jesus is god

And a pig is just ham

And I'm just a seeker, I'm just a sinner

And I'll be what I am
