

I Could Have Gone Right  
M. Tillis

CAPO II

INTRO: A E B E

Oh I was born a good boy, my mama loved me so  
 And she gave me every chance she could to make my life of gold  
 But I fell in with the wrong crowd and the wrong crowd led me on  
 But I could have gone right just as easy as I went wrong

BRIDGE:

I went to the places where sin just waits for you  
 And I fell in with the wrong crowd like sinners always do

Now here I sit in prison, just waiting for the day  
 When they'll lead me thru that door and burn my life away  
 Oh mama please forgive me, the shame is all my own  
 For I could have gone right just as easy as I went wrong

INTRO

Oh mama please forgive me, the shame is all my own  
 For I could have gone right just as easy as I went wrong
