

## I Die Ten Thousand Times A Day

Recorded by Merle Haggard

Written by Leon Payne

C G7 C  
 I come home and I sat down by the door  
 G7  
 I just sat and dream my lonely life away  
 C F  
 I just can't stand a thought that I won't see you anymore  
 C G7 F C  
 I guess I die ten thousand times a d-ay  
  
 G7 C  
 Without soul life comes to its end  
 G7  
 I ceased to live the night you went away  
 C F  
 If you walk through that door then I'll start to live again  
 C G7 F C  
 I guess I die ten thousand times a d-ay  
  
 G7 C  
 I pick up each thing you used to touch  
 G7  
 I call to mine each tender word you say  
 C F  
 If I've hurt you it's just because I love you much too much  
 C G7 F C  
 I guess I die ten thousand times a d-ay
