A E7 A  
I don't want to sober up to-night

E7 A  
I don't want to act like things are alright

D D7 A  
And I don't want to change just to make you think I'm happy

E7 A  
That's my right, I don't want to sober up to-night

E7 A  
I want to keep my mind a little hazy

E7 A  
I don't care if all my friends think I'm crazy

D D7 A  
The way I treat my-self I might be a little crazy

E7 A  
But that's alright, I don't want to sober up to-night

E7 A  
I'm here to drown another day of misery

E7 A  
I'm in here to spend one night without a mem'ry

D D7 A  
And the way I'm drinkin' now there won't be any memory

E7 A  
But that's alright, I don't want to sober up to-night

E7 A  
I don't want to sober up to-night

E7 A  
I don't want to act like things are alright

D D7 A  
I don't want to change just to make you think I'm happy

E7 A  
That's alright, I don't want to sober up to-night
