

I Forget You Everyday

Written and recorded by Merle Haggard

G Fm C Am
 Memories is a gift man can't live without
 D7 G D7
 And at times we can't control the things we think about
 G G7 C
 So sometimes I still remember you in every way
 D7 G
 But for a little while I forget you everyday

Fm C Am
 Seems like I forget you just in time
 D7 G D7
 Cause it's always just before I lose my mind
 G G7 C Cm
 I wake up every morning hurting the same old way
 G D7 G
 But for a little while I forget you everyday

Fm C Am
 Seems like I forget you everyday
 D7 G D7
 And it's always just before I lose my mind
 G G7 C Cm
 I wake up every morning hurting the same old way
 G D7 G
 But for a little while I forget you everyday
