

Just Between The Two Of Us

Key of C

(...no music...) G C
 Just between the two of us we know our love is gone

C F C
 People think it's wonderful our love can be so true

C G C
 You never say an angry word no matter what I do

C F C
 And you have so much faith in me you trust me anywhere

C G C
 But the reason if they only knew is that we just don't care

CHORUS:

C F C
 Just between the two of us let's give up this fantasy

C G C
 For we no longer care enough to even disagree

C F C
 Everybody envies us and the way we get along

C G C
 But just between the two of us we know our love is gone

--- Instrumental ---

Wish we could go back again to days that used to be
 We fought a lot but even then I knew you cared for me
 Now we get along so well no teardrops ever fall
 But there's no love no anything there's nothing left at all

CHORUS
