

**Money Tree**

Recorded by Merle Haggard written by Wayne P. Walker

G C G  
 Silver and gold made you say goodbye  
 D7 G  
 One day it may make you wanna cry  
 C G  
 When you're alone with a heart that's blue  
 D7 G  
 Who will you take your heartaches to

C G  
 Love can't grow on a money tree  
 A7 D7  
 Not the kind you had with me  
 G C G  
 Someday when you're older a wiser girl you'll be  
 C D7 G  
 Then you'll know that love can't grow on a money tree

C G  
 I don't blame you for all my pain  
 D7 G  
 A young girl like you needs time to dream  
 C G  
 You're happy now but how long will it last  
 D7 G  
 One day you'll be just a girl with the past
