

MY WOMAN KEEPS LOVIN' HER MAN

My woman still loves me in spite of my way  
For reason I don't understand  
I guess some day she knows I'll come home to stay  
That's why my woman keeps loving her man.

Someday she knows I'll be feeble and old  
And unable to leave her again  
She's happy just knowing that someday I'll change  
That's why my woman keeps loving her man.

My woman is guilty of loving too much  
A man who's only a man  
And the mem'ry she clings to gives her something to touch  
That's why my woman keeps loving her man.

Someday she knows I'll be feeble and old  
And unable to leave her again  
And someday she knows I'll come home to stay  
That's why my woman keeps loving her man.

That's why my woman keeps loving her man...
