

Nobody Knows I'm Hurtin'

Album: Someday We'll Look Back / I Love Dixie Blues

Nobody knows I'm hurtin' and nobody cares
Nobody knows I'm yearnin' and no one's nowhere
I'm even livin' with more heartaches in my share
Nobody's cryin' for me and I got nobody to care
Well I'm not to find me someone who'd do a little somethin' for me
I'm lookin' for a gal who's kind and sweet cause I need some sympathy
I just can't feel quite sorry enough for the way I been done
I'm about to find me a good ole gal who'll want me when I come
[guitar]
Cause nobody knows I'm hurtin'...
