

Our Hearts Are Holding Hands
 recorded by Merle Haggard/Bonnie Owens
 written by Bill Anderson

Intro:

C G7 C
 We're far apart but our hearts are holding hands

C F C
 It's lonely just to sit here by myself each night

G7 C
 Not knowing when I'll ever get to hold you tight

F C
 Oh yes I have temptations and sometimes it's pretty rough

G7 C
 But temptation's never strong as our sweet love

F C
 Cause our hearts are holding hands across the miles

Even though we're lonely we can smile

F C
 Cause I know you're my woman and I know you're my man

G7 C
 We're far apart but our hearts are holding hands

F C
 Today a stranger looked my way and flashed his gold

G7 C
 And said he'd buy me all the treasures I could hold

F C
 But I took out your last letter that said you love me so

G7 C
 And there I found the strength to tell him no

Repeat #2

G7 C
 And come what may our hearts are holding hands
