

Some Of Us Fly
(with Toby Keith)

G Am D G
We all come along in our own given time
Am C D
no way to compare such unique design
C G
but there is one common trait to the scheme of it all
Am D G
some of us fly all of us fall

Am D G
when life deals you a hand you don't throw it away
Am C D
and the cards that you draw are the cards that you play
C G
some don't give a damn some give it their all
Am D G
some of us fly all of us fall

D C G C G
some spiral down in a circle some climb to steeply and stall
C G A Am D
some make the bed some ponder it yet some pass some raise some call
C G
Some play it smart I had a ball
Am D G
some of us fly but all of us fall

Am D G
Some squander life some turn it around
Am C D
some look to the sky but they can't leave the ground
C G
some reach for the stars when their already tall
Am D G
some of us fly but all of us fall
