

Someday We'll Look Back

Album: Someday We'll Look Back / I Love Dixie Blues

Someday when our dream world finds us  
And these hard times are gone  
We'll laugh and count our blessings  
In a mansion all our own  
If we both pull together tomorrow's sure to come  
Someday we'll look back and say it was fun

We live on love and pennies  
And the day dream out of sight  
And I'm amazed the way you smile  
When things don't turn out right  
We climb each hill together each step one by one  
And someday we'll look back and say it was fun

Someday when our dream world finds us  
And these hard times are gone  
We'll laugh and count our blessings  
In a mansion all our own  
If we both pull together tomorrow's sure to come  
Someday we'll look back and say it was fun  
And someday we'll look back and say it was fun
