

## The Day The Rains Came

Intro: D#maj7 F

Your strange love was what I found

The day the rains came down

And I remember we found shelter in the cave

With the rain clouds up above  
In the darkness we found love  
The day the rains came I became your slave

As the rains made rivers swell I fell deeper in your spell

You took my hand and handed me a crown

If I could just live on  
With these things I have known  
I know that I'd be glad of what I've found
