 Im just tired of making love to a telephone F  
 C  
 Im coming home so I can find me a flight this morning man G7  
 C  
 And the Okie from Muskogee is coming home

Well it has been twenty years of traveling  
 F  
 Twenty years of living out on the road  
 G7  
 Learning this chorus and learning these songs  
 C  
 And paying up all these dues they say I owe

Now I may always be a rambler

 And always have the urge to roam  
 C  
 Im coming home so I can find me a flight this morning man G7  
 C  
 And the Okie from Muskogee is coming home
