

**Things Aren't Funny Anymore**

C Dm  
We used to laugh alot

G C  
We never cried

C Dm  
But things are all different now

G C C7  
Since your sweet love has died

C7 F  
Seems we've lost the way to find

F C  
All the good times we found before

C Dm  
Yeah, we used to laugh alot

G C  
Things aren't funny anymore

If I knew how to change your mind  
Maybe things could be right again  
If I could turn back one page of time  
Before love came to an end  
I'd know just where to turn  
To turn it all on once more  
Maybe we laughed to soon  
Things aren't funny anymore

C7 F  
I'd know just where to turn  
To turn it all on once more  
Maybe we laughed to soon  
Things aren't funny anymore
