

# Train Never Stops Our Town

Key of "A "

Recorded by Merle Haggard in the key of "C"

(Capo 3 and play A to accompany record.)

(Verse I)

A / D / E7 /

/

For years I've tried to leave this poor man's valley,

D / A / G / E E7  
on a train that's on its way to richer ground.

A / A / D / A

A7  
where rivers never overflow and dreams can not be bound,

D / E / A / A /  
but the train never stops in our town

(Verse II)

I'd like to buy a mansion for my darling,

Away upon a mountain looking down.

I know there's restless gold out there just waiting to be found,

But the train never stops at our town.

(Chorus)

E / E / A / A /  
Failure has to find something to blame,

B7 / B7 / E / E7 /  
and the only thing that's left is that old train.

(Verse III)

The darkness of the night catches me crying.

A whistle soon will blow a lonesome sound.

A spark of hope becomes a flame each time the train slows down.

But the train never stops at our town.
