

**When My Blue Moon Turns To Gold**

F C  
Memories that linger in my heart  
C7 F  
Memories that make my heart grow cold  
C  
But someday they'll live again  
Bb C F  
And my blue moon again will turn to gold

F C  
Your lips that used to thrill me so  
C7 F  
Your kisses were meant for only me  
C  
In my dreams I live them all again  
Bb C F  
But my golden moon is just a memory

When my blue moon turns to gold again  
When the rainbow turns the clouds away  
When my blue moon turns to gold again  
You'll be back in my arms to stay

The castles we used to build together  
Were the sweetest stories ever told  
Maybe we will live them all again  
And my blue moon again will turn to gold
